The First Fruits Giving Program - Electronic Tithes and Offerings

NLF has some good news to share. Your offertory or campaign gifts made through the First Fruits Giving Program work harder than ever to support our church. When you participate in the First Fruits Giving Program, your gifts will be transferred conveniently each month from your checking account directly to NLF.

With the First Fruits Giving Program, your gifts will go further than ever, allowing NLF to reduce administrative costs, plan future projects with great efficiency, (since more will be known about its revenue stream over the months ahead), and spend more time on ministry, less on administration. The First Fruits Giving Program is convenient, as well as safe, secure and reliable.

As a participant of the program, you are still free to make additional gifts by check or cash as the Lord provides!

And you may continue to place an offertory envelope in the weekly collection plate and simply write EFT on the envelope.

A record of each gift will appear on your monthly bank statement. You may increase, decrease or suspend your giving at any time by calling NLF at 718-424-0122. All transfers originating as ACH transactions from members' accounts comply with U.S. law.

Here's how to join . . .
